EARTH DAY CELEBRATIONS on 22.04.22

Organized by : Eco club

Faculty involved : B.Aswarthappa, Contract Faculty in Botany & G.Venkatesulu Lecturer in Chemistry

Earth day celebrations are organised by Eco club on 22-04-2022 in the NSPR GDC (W), Hindupur. Our Principal Dr.M.Pragathi addressed the students and explained well about the formation and importance of the earth and how to conserve it for future generations. We conducted painting competitions and distributed prizes for winners. G.Venkatesulu , Dr.B.Ashwarthappa and other science faculty members are participated in the earth day event. Over 30 students participated in the drawing competition and apart from the prizes to three toppers, all the participants were given encouragement prizes.
